### Future promises award

Hugo Gamboa, the CEO, was the 2008 winner of the "ISA-Millennium BCP Future Promises" award.

[03-11-2008] [ aicep Portugal Global ]

This prize was the result of innovative research work developed during the pursuit of his PhD.

In his thesis entitled "Multi-modal Behavioural Biometrics" new modalities of behavioural biometrics are explored standing as an important contribution for the state-of-the-art in the field.
